Last Monday our twelve parliamentarians, along with Mrs Christensen, attended a CAP Leadership Day in Deniliquin. The day was run by a group called ‘Rising Generations’ that works on equipping and empowering the next generation of leaders with interpersonal and leadership skills to serve others and make a difference in their school, families and communities. The leadership program encourages active participation in school life and serving through leadership. Active participation assists young people to feel more confident, develop essential life skills, as well as feel a greater sense of belonging to their school and community, which research shows positively increases self-esteem.

Easter Hat Parade

Congratulations to Stage 1 students and teachers who entertained the crowd beautifully today wearing their decorative Easter Hats. The Easter Hat Parade has long been a tradition of Hay Public School and it never misses to be a crowd pleaser. Well done to all involved. Pictures will be published in next week’s newsletter along with the names of all raffle winners.

Notifying Absences

If your child is absent from school, please phone the front office to advise the reason. A text message will be sent on the day that your child is absent, reminding you to notify the reason. This is a mandatory requirement of the Department of Education and Communities and is closely monitored by the Home School Liaison Officer. If you are planning an extended holiday of more than a week, please contact the school so that an exemption form may be completed.

Riverina Representatives

Congratulations to the many students attending trials in various sports over the past couple of weeks. Already we have some Riverina representatives emerging as the school continues its strong performances in sport. Dela Gargaro (Swimming), Lillian Ives and Ellie Hicks (Girls’ Cricket) have all been successful to date. Good luck to all students attending trials in the coming weeks.

I wish staff, students and parents a safe and restful Easter break and welcome everyone back on Tuesday 2nd April. Happy Easter!

Maths Matters

It is great to see that many children are still regularly using StudyLadder at home. At the moment students in Stage 2 and 3 can access NAPLAN practice activities, Stage 3 students can learn more about the HSIE topic Antarctica, and Stage 1 have some great Maths games to reinforce what they are learning in the classroom. Many students have been using the new iPads in their classrooms to learn more about Maths, too.

**CAP Leadership Day by Holly Headon**
On the 25th March, all school leaders around the district attended a learning skills get together. We all learnt that leadership is the ability to influence good behaviour, be a role model and strive to be our best. We played games that involved cooperation and team work. Everybody met new, friendly faces and took great pleasure in learning about other people. Hay Public School parliamentarians overall had a lot of fun and learnt a great deal of useful skills to use throughout 2013!

**CAP Leadership Day by Maggie Biggs**
On Monday the 25th March, 11 parliamentarians travelled to Deniliquin for a leadership day. The day was lots of fun for the students, as they took part in many activities to determine what leadership really is.

The parliamentarians not only learnt lots about leadership but they also made lots of friends and that, in fact, it is very easy to make them.

Thank you to the Deniliquin South Primary School who held the event at their school and a big thanks to ‘Rising Generation’ for teaching the students about leadership and hopefully our school leaders soaked it all in!
